Sir:

Applicant's hereby request the Notice of Abandonment issued in the above-identified application be withdrawn in view of the fact that Applicant's timely filed a Request for Reconsideration to the Dismissed Decision on Petition. According to the most recent PAIR information, Applicant's Petition was entered as of October 14, 2003 and a decision to that Petition was mailed on June 29, 2004. Upon receipt of the Decision on Petition (indicating Dismissal), Applicant's filed a Request for Reconsideration by facsimile on July 8, 2004. A facsimile journal confirming receipt of the items by the U.S. Patent Office is enclosed for your review.

Please find attached for your review a copy of the Request for Reconsideration originally faxed on July 8, 2004, together with the facsimile journal confirming receipt by the U.S. Patent Office.

SECOND REQUEST FOR RECONSIDERATION
IN RESPONSE TO DECISION ON PETITION TO ACCEPT
CORRESPONDENCE AS TIMELY FILED - 37 CFR § 1.8(b)

Application No. 09/276,917
Atty Docket No. CISCP110/1156

This is in response to the DECISION ON PETITION TO ACCEPT CORRESPONDENCE AS TIMELY FILED UNDER 37 CFR § 1.8 dated June 29, 2004. The petitioners respectfully request further review of the decision. Specifically, the petitioners herein affirm that the Office was notified promptly after the petitioners became aware that the Office had no record of the correspondence (item 1 indicated in the above-identified decision).

Applicants' Representative filed a Request to Have Correspondence Deemed to have been Timely Filed promptly after discovering that the PTO did not acknowledge receipt of the Amendment filed on April 17, 2003, which was in response to the Office of Action issued on January 28, 2003. The Request was filed not more than two weeks after Applicants' Representative confirmed that the PTO did not receive the Amendment. It is believed that the error was discovered the week of October 10, 2003, during which the petitioners checked the file and became aware that the PTO did not return the postcard enclosed with the Amendment. The petitioners subsequently checked PAIR for evidence as to whether or not the PTO received the prior reply.

Since all the three items pointed out in the above-identified decision have now been provided, it is respectfully requested that the Amendment filed on April 17, 2003 be considered timely filed. Should any fees be due to facilitate the filing of the attached documents, they may be charged to Deposit Account No. 50-0388 (Order No: CISCP100).

Respectfully submitted,
